Welcome to the 3rd Annual
Denver Petroleum Club

DENIM & DIAMOND CHARITY BALL

HONORING OUR FIRST CLASS OF

MENTORS & MENTEES

APRIL 15, 2011

Tonight's Proceeds Benefit

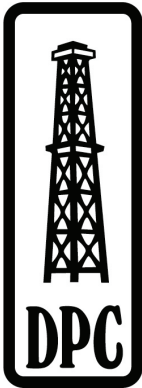

Anchor Center for Blind Children

Colorado FIRST Robotics

Denver Street School

Welcome

Tonight we celebrate the importance of mentoring.

For the past several months, three very talented and successful CEO's in the oil & gas business have met with a group of young industry professionals to help broaden their horizons, expand their network of influence and super-charge their careers.

By all accounts, the program has been a success. Feedback from both mentees and mentors is encouraging; learning has gone both ways; they have benefitted in ways they didn't expect; they plan to stay connected; and applications for the next class are already rolling in.

Proceeds from tonight support the three charities our mentors are personally involved with. It is our way of saying thanks to them and demonstrating to our mentees—and the broader oil and gas community—the importance of giving back.

As John, Mike and Bill will tell you, giving is more rewarding than receiving. So give generously ~ your investment of time and money really does change lives.

And please say thanks to our sponsors listed on this page and the next, whose generous support has made tonight possible.

Joyce Witte, *President*
Denver Petroleum Club

◆ Special Thanks to Our
Golden Buckle Sponsor ♥

FULBRIGHT
& Jaworski L.L.P.
Attorneys at Law

- Western Energy Alliance Board (Formerly IPAMS)
- ACE Board
- Past President of Denver Petroleum Club
- Past Chairman of the Charter Fund via Piton Foundation
- O'S Companies Board
- Denver Street School Executive Committee

The Denver Street School offers struggling students a second chance to earn a high school diploma through a fully accredited program in a small classroom setting.

William (Bill) Schneider, President & CEO Point Petroleum & Teocali Energy

Bill Schneider has over 25 years of experience in the oil and gas industry managing companies and as an investment banker. Before founding Point Petroleum and Teocali Energy, Bill served as President of Venoco during which time the company doubled in size, completed a number of acquisitions and concluded its IPO. Bill also spent a number of years working on energy industry mergers and acquisitions at BMO Capital Markets, Donaldson, Lufkin & Jenrette and Citigroup in both New York and Houston.

Bill Schneider holds a B.S. in Petroleum Engineering from Colorado School of Mines and an M.B.A. in finance from UCLA's Anderson Graduate School of Management and volunteers with the following nonprofit organizations:

- ColoradoFIRST Robotics, President of the Board
- Global Energy Management Advisory Council, University of Colorado Denver
- Energy Committee Co-chair, Wired Partnership

ColoradoFIRST

"Developing Colorado's science & technology leaders of tomorrow"

ColoradoFIRST supports STEM development of K-12 students by engaging them in technologically focused, team-oriented, mentored competitions. The goal is to combine the excitement of sport with science and technology in an intense, time driven competition aimed at teaching creativity, efficiency, effectiveness, teamwork, and cooperation. www.coloradofirst.org

**John Mork, President & CEO,
Energy Corporation of America (ECA)**

John Mork and his wife Julie founded ECA in 1972, for which he serves as President, CEO, and Director of the company.

ECA is a privately held energy company engaged in the exploration, development, production, gathering, aggregation and sale of natural gas and oil, and owns / operates more than 5,000 gas and oil wells in the US.

<http://www.energycorporationofamerica.com/>

John Mork holds a B.S. in Petroleum Engineering from University of Southern California and is a graduate of the Stanford Business School Program for CEOs. He volunteers with the following nonprofit organizations:

- Denver Museum of Nature & Science Trustee
- World Presidents' Organization
- Chief Executives Organization
- USC Board of Trustees, and Engineering School Board of Councilors
- Global Energy Management Advisory Council, UCD

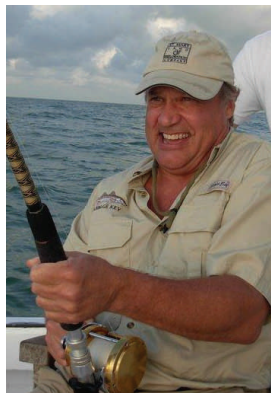

The mission of Anchor Center for Blind Children is to teach visually impaired infants, young children and their families, providing hope and a nurturing environment where children reach their highest potential. www.anchorcenter.org

**Mike O'Shaughnessy, President & CEO
Lario Oil & Gas Company**

Mike O'Shaughnessy joined Lario Oil & Gas Company (Lario USA) in September 1977 and held several officer positions at Lario before becoming its President of Lario USA and CEO of Lario Canada in March 1998.

Lario is a private exploration and development company which is active in multiple basins in the USA and Canada. <http://www.lario.net/index.php>

Mike O'Shaughnessy holds a B.B.A. in Petroleum Land Management from the University of Oklahoma and volunteers with the following nonprofit organizations:
